Acropolis Institute of Technology and Research, Indore
Prayatna - 36 Hours Hackathon
Undertaking by the Participants

I (Name) _____ of _____ year pursuing (Course) _____ from (College Name) _____ is abide by the rules of the Prayatna Hackathon.

Rules for the Hackathon

- Participants must bring their laptops and other accessories (like an Ethernet Convertor, etc).
- Teams must consist of at least 3 members with at least one female member mandatory, who must be present throughout the event.
- Each team should choose a specific color for easy identification and all team members must wear that color during the event.
- At least 50% of the team members must be present at the designated arena throughout the event, failing to do so marks will be deducted from their total score.
- Participants are not allowed to leave the premises during the hackathon and engaging in unethical practices or misbehaving with the organising team will result in disqualification and instant dismissal from the premises.
- A common rest area will be provided for all teams. No separate rooms for each team will be provided. Participants must carry their basic amenities like toiletries, and specific medications (if any). Participants are responsible for their luggage/belongings & valuables. You may keep your locks and keys.
- Participants have to reach the hosting institute on their conveyance. A drop-off facility will be provided after the completion of the hackathon for all teams to a common location like a stand, railway station, city office & airport.
- All participants are required to be enrolled students and carry their original college and a government ID.
- Participants must follow the college & hackathon rules and regulations while on the premises. The competition will be evaluated in three phases, with teams presenting their progress and plans in each phase.
- Emergency medical facilities will be provided by the institute for any health issues during the hackathon but the Institute will not be responsible for any mishap.
- Participants will be solely responsible for any damage incurred to college property and will bear the associated costs.
- Participants are **strictly prohibited** from bringing any items (including but not limited to intoxicating substances) that may disrupt the event or compromise the safety and well-being of others on the hackathon premises.
- Reporting time at the venue for all teams is **04:00 PM on 18th March 2024**, Monday. Teams reporting **after 8:00 PM will not be allowed**. Teams are also notified that no additional time will be provided to any of the teams with the commencement of the hackathon.
- Decisions of the organizing committee will be considered as the final decision and all the legal discrepancies are subjected to the Indore Judiciary.

By participating in the hackathon, I confirm my acceptance and agreement to all the terms and conditions. I acknowledge that I am fully aware that failure to abide by any one of the above undertakings made by me will attract disciplinary action against me. I am personally responsible for any consequences that may arise from not adhering to the rules of Acropolis Institute of Technology and Research and the organizing committee holds no liability for any incidents or issues that may occur during the event.
